

## LIBOR Professional Development Pledge

To best serve the public, clients and customers REALTORS® should invest time in keeping abreast of trends, issues, and current developments that may affect their industry. One way of staying knowledgeable, educated, and informed is by taking courses on topics affecting housing and the real estate industry.

In furtherance of my commitment to providing the best service, I pledge to take and complete the following courses, programs and certifications in 2021.

Fairhaven: A Fair Housing Simulation
