Contributions are not deductible for Federal income tax purposes. Contributions to RPAC are voluntary and used for political purposes. The amount suggested is merely a guideline and you may contribute more or less than the suggested amount. You may refuse to contribute without reprisal and the National Association of Realtors® or any of its state associations or local boards will not favor or disfavor any member because of amount contributed. 70% of each contribution is used by the State PAC to support state and local political candidates. Until your state reaches its RPAC goal, 30% is sent to National RPAC to support Federal candidates and is charged against your limits under 2 U.S.C. 441a; after the state reaches its RPAC goal, it may elect to retain your entire contribution for use in supporting state and local candidates.
